

1st Sunday Match – October 07th, 2018

Hello everyone

What a nice day to shoot. A little breeze would of helped but it was still quite nice. We still had a good turnout with many at the Eastern Divisional but 20 shooters managed to make it to the match. With the mostly non traditional stages some fool put together, we still managed to have 3 clean shooters, Cockroach, Smackwater and Major BS Walker. I do hope everyone had fun today. That is the real reason we put ourselves through all of this. Stages attached.

Thanks for all the help
