

# 1st Sunday Match – June 7th, 2020

Hello everyone

The Cavalier Rifle & Pistol Club will observe the new Phase 2 order starting Friday. No more RSVP for matches because we may gather up to 50 person groups. Distancing, sanitation, etc. will still need to be the norm. Tell your friends they are welcome to visit and watch a match at any time. We will be also holding our 2nd Wednesday match June 10th three days after Sunday's match on June.7th. I will send out the stages for Wednesday's match this weekend along with some other news.

Thanks: MBSW.

---

Hello Boys and Girls

I don't know if you remember me but my name is Major BS Walker and I am inviting you to our Regular 1st Sunday of the month match this Sunday June 7, 2020 at the Cavalier Rifle and Pistol Club. There will be a few changes because of the revised range rules at this time. We are limited to two posse's of ten people each and the count does include spectators so at this time it is better to tell your friends they can observe on a later date. We will not have the cowboy

social either. These restrictions should be gone once we go to phase 2. Also please bring your own water to lessen contact. Since we are limited to the total number of participants, I ask at this time to RSVP me that you are coming by e-mailing me at [majorbswalker@gmail.com](mailto:majorbswalker@gmail.com) or text me at 804-307-2980 as soon as possible to let me know that you are coming. This will be a first call first come match.

Please, I don't want anyone to drive all the way here and have to be turned away. This all sucks, but the Cavalier range rules prevail. Attached are the stages for Sunday the 7th.

Thanks: Major BSW
