1st Sunday Match – May 6th, 2018

Good evening everyone

With the group that shot the Father Time match and the shooters that thought it might rain you really missed a good match today at Cavalier. Comfortable temperatures and not a

drop of rain until 30 minutes into the cowboy social after the match. Ripsaw provided us with some really nice stages. Me managed to muster up nine shooters for today's match and also welcomed two first time Sundays regular match shooters (but not new to the Wednesday matches) Max Steel and Captain R. Hugh Kidme. We had two clean shooters today , myself and Captain R. Hugh Kidme. Scores are posted.

Thanks again for all the help;
Major BS Walker

I must apologize for my mistake on the location of Cavaliers Sunday match this week. The match will be held in its usual location this month but will move location next month. Sorry, I got it back asswards.

Thanks: Major BS

Hello Everyone

This Sunday May 6th. the Cavalier Cowboys are having their first Sunday of each month regular scheduled match. I know many of you will be at the Father Time match but for those that are not going, you can still shoot at Cavalier. Because of a special class being held on Bay 3 on that date, we will be shooting the match on the Bay 4 sites. Just pass the Saloon and park up the hill on the left. Gates open at 8:30, safety briefing at 9:45 and first round down range at 10:00. The stages for this weeks match were written by Mr. Ripsaw and are attached.

See you Sunday

2018 Gunfight at the Double-C Scores

Hello Boys & Girls

What a great weekend to shoot a match. Five minutes of drizzle was the only drawback from an almost perfect weekend. I do hope everyone enjoyed themselves. Thanks to you, the Gunfight was totally worth all the hard work it took to have this event. You could not possibly have a more dedicated, harder working and fun loving group of cowpokes than the group that were here this weekend. All of you deserve a standing ovation.

Here are the results attached and please remember to visit us next year.

All my best:

2nd Wednesday Match – March 14th, 2018

Howdy Boys and Girls

Well we had five brave souls come shoot today's opening Wednesday's match in the cold wind. I'd like to welcome our new member to the monthly posse, Captain R. Hugh Kidme . Glad to have you ride the range with us. Thanks to everyone for their help and for shooting the mystery stage with much success. We had No Clean Shooters today, the wind just kept blowing the bullets off target. Results are attached.

1st Sunday Match – February 4th, 2018

Cowboys & Cowgirls,

We have made the decision to cancel our 1st Sunday match for February 4th, 2018.

Although it has improved slightly from yesterday's forecast, the current hourly weather forecast calls for rain and a "feels like" temperatures in the 30's throughout our match time window. We can handle the rain and we can handle the cold but when you combine them and throw in a steady wind all day, it just isn't fun weather to shoot in.

By the time I get to shoot again, I will need someone to mentor me ☐

Stay warm and enjoy the football game on Sunday!!

1st Sunday Match – January 7th, 2018

Cowboys & Cowgirls,

Happy New Year to all our Cowboy Family and Friends!!!!

In terms of bad weather, my normal approach is to send out the match announcement on Monday saying that we are planning on having a match but will send out an update on Friday with the final call. I use this approach because the weather forecast 7 days out are very unreliable.

However, the current hourly weather forecast for Sunday calls for 18 degrees with a feels like of 13 degrees for our 10:00 am start time.

This forecast is so far below what I consider minimum acceptable shooting, that I am taking a different approach.

Assume that the Sunday, January 7th match is cancelled.

And if some weather miracle occurs between now and then, we will send out an update on Friday that the match is back on.

Let's hope this isn't the start of a bad trend for 2018 cowboy shooting.....

Safe Travels,

Striker
