

2nd Wednesday Match – September 12th, 2018

Hello everyone

It stayed overcast for the match so the temperature never got too high. It was only 79 when we left. We had one clean shooter and sadly to say it was me.

Thanks guys for all the help.

Results attached.

1st Sunday Match – August 5th, 2018

Another Sunday match at Cavalier is now in the books. I think Smackwater did a (pun) bang up job with his stages today. I'm sure many of you also think so since almost a third of the posse shot it clean. Our clean shooters today were Cody Maverick, Enid City Kid, Regret Scovefield, Sassy Shooting Sours and Swifty McDraw. Cody Maverick was our top shooter. Thanks for all the help with all match duties today. Everything moved like a well oiled machine. For those that missed today, if you would of come you would of shot it clean also.

Thanks again
You guys/ gals are the greatest

2nd Wednesday Match – July 11th, 2018

Hello Everyone

Another fun filled Wednesday match has now come and gone. Strategic placement of our air circulators made everything quite pleasant. I did learn today that the fans should always be the last thing to take up. A.C. Winchester, Cockroach and myself were CAD, with Cockroach being the overall winner. I would also like to welcome our now favorite new shooter Marshal P.C. WaBash. Hope to see you at our next Wednesday match. Results are attached.

Thanks guys for the help:

1st Sunday Match – July 1st, 2018

Hello Everyone

Well, we pulled off a really nice match today with minimal sweat. It was hot but shooting entirely in the shade with the fans was enough to make it more comfortable than one would expect. We had three clean shooters today, Cody Maverick the overall winner, Myself and One Eyed Jane. I also want to thank everyone for their help and our food cooks Smackwater and Windhorse Rider. I also want to make a special shout out to our new partner, Brendon. Also known by some as Little Pete, this young man shagged brass all day. Way to go buddy, you can ride on my posse anytime. Once again you guys were great. Scores are attached.

Hello Everyone

This Sunday July 1, 2018 the Cavalier Cowboys will be holding its regular first Sunday of the month match. It's going to be hot so the canopy's and fans will be out for your comfort. It will also be a relaxed dress code match also for your comfort. Since this match is just before the 4th of July, at our usual Cowboy Social after the match we will be cooking on the grill with the meat furnished by us at no additional charge. If you could send me a response if you are coming than I can work up a food order.

So break out your red, white and blue and come join us.

There was only one clean shooter today and that was me. Detailed results for today's match are attached.

1st Sunday Match – June 3rd,

2018

Sorry for the last minute cancelation but the weather channel won't back off of the 90 to 100% chance of rain from 8:00 am through 3:00 pm. With not having the saloon and the livery to shoot under and the expected low turn out on a steady rain day not scattered showers, the Cavalier Cowboys have been forced to cancel tomorrows match.

Hello Everyone

Sitting here bloated up after chunking down too much steak on Memorial Day, I thought I'd send out the match information for next Sunday. The Cavalier Cowboys will be having their 1st Sunday match on June the 3rd. Gates open at 8:30, safety briefing at 9: 45 and first shot at 10:00. This time we will not be shooting at Bay 3 and 3A as we usually do but we will hold the match at Bays 4A and 4B on the left at the top of the hill. Bay 3 is being used for a Bullseye Championship match that day. Stages have been written by Striker, you remember him, and are attached. Hope to see everyone's smiling faces on Sunday.

1st Sunday Match – May 6th, 2018

Good evening everyone

With the group that shot the Father Time match and the shooters that thought it might rain you really missed a good match today at Cavalier. Comfortable temperatures and not a

drop of rain until 30 minutes into the cowboy social after the match. Ripsaw provided us with some really nice stages. Me managed to muster up nine shooters for today's match and also welcomed two first time Sundays regular match shooters (but not new to the Wednesday matches) Max Steel and Captain R. Hugh Kidme. We had two clean shooters today , myself and Captain R. Hugh Kidme. Scores are posted.

Thanks again for all the help;

I must apologize for my mistake on the location of Cavaliers Sunday match this week. The match will be held in its usual location this month but will move location next month. Sorry, I got it back asswards.

Thanks: Major BS

Hello Everyone

This Sunday May 6th. the Cavalier Cowboys are having their first Sunday of each month regular scheduled match. I know many of you will be at the Father Time match but for those that are not going, you can still shoot at Cavalier. Because of a special class being held on Bay 3 on that date, we will be shooting the match on the Bay 4 sites. Just pass the Saloon and park up the hill on the left. Gates open at 8:30, safety briefing at 9:45 and first round down range at 10:00. The stages for this weeks match were written by Mr. Ripsaw and are attached.

See you Sunday
