## “ Sharp as a Tack ”

Hello everyone, all my life I seem to have had trouble remembering things and in my later years it has become much much worse. I would do things like go to the store and then forget what I had gone there to get. I couldn't remember squat. But now I am completely cured after Professor Bingo from Montana came to town selling bottles of his miracle memory elixir. Now my mind is sharp as a tack. You too can now restore your memory as it has done for me with just one bottle of his miracle memory elixir, if only I could remember when he's coming back to town, or where I put my bottle, or how much you're supposed to take.

Excuse me but what was I just talking about?
