

2026 Cavalier Cowboys Match

Jan. 4, 2026

By: Major BS Walker

It's 2026 and I can't believe I am here to see it. We have experienced so much in our lives to date, I hope you are looking forward to the pleasurable experiences we have yet to come. There are so many that have left us that I wish were by my side right now, but their memory will always be inside me. With the new year upon us, the years that have passed, and all that will follow, I hope you will cherish, as I will, the times we all have together, whether good or bad. Now just bring your asses out to shoot.
